We agree to help everyone feel happy, safe and included in school.

We agree to attend meetings, listen carefully to others and do our best.

We will work with Miss Whitlock to share positive ideas that will make our school an even happier place!

We will respect everyone's ideas, even if they are different from our own.

We promise to be kind role models and spread happiness and SPARKLE wherever we go.

We know that being a happiness heroes means caring for all children in our school community.
