Haslingfield Endowed Primary School

Eco-School Minutes

Date: 1.10.26

Attended by: Miss Mayo

Agenda	Discussion
1. To welcome all members	Children introduced themselves with their names
2. To agree the purpose of Eco-school	Look after the garden Feed the birds Plant flowers Anything in the garden we can care for it Improve the garden – plant more Sustainability – means you keep life sustainable Less litter Pile wood up and see if there are wildlife and bugs in the wood – bug hotel
3. To agree the role of an Eco-school member	Sparkle Safety – Don't go too near the pond Don't touch the hedgehops/certain wildlife Pick up litter so no one trips over Don't eat any berries Don't step on the plants Perseverance – Work hard in the garden and come to meetings Aspiration – Making the school more sustainable and environmentally friendly

	Respect – all the natural environment and each other Kind – Kind to everyone, human and animals and plants Loyalty – Not making others feel bad about not being in Eco council. Listening to everyone's ideas – bringing ideas about sustainability from others in the class and bring them to the meeting Equality – equal space for equipment and for plants to grow. Everyone gets the chance to work in the garden.
4. To share some initial thoughts and idea on what the actions this year	Garden needs lots of tidying up Leave lots of messy spaces for hedgehogs and birds Pond needs attention Recycling – local council Where could food waste go? Compost heap? Compost bin? Black bin – everything that can't be recycled – cardboard, metal, plastic. Take all the equipment out of the pond
5. Actions	- Bins – recycling and compost heap - Bird feeding rota. Theo M to show everyone. Older children help the younger ones - Tidying the garden - Light switcher offers
