Our School Councillor S.P.A.R.K.L.E agreements

We agree to help think of ways to keep the children safe.

We agree to come to all meetings and will work hard on our school council tasks.

We will help Miss Peck think of sensible ideas to make the school a great place to be

We will respect all ideas and will not get upset if our ideas are not chosen by the council

We promise to behave kindly to all children in the school and *"not make a big deal out of being part of the school council"* in front of others.

We know the school council isn't just for us, it is for all children at the school

We will make sure all decisions are chosen fairly by a vote.
