- listen to and take on board the ideas of others.
- try new activities and select resources independently especially within rainbow challenges.
- think about the feelings of others
- learn about ways to share their own feelings.
- think about occasions/events which are special to themselves or other people.
- talk about ways that they can keep themselves safe.
- talk about ways to keep

Understanding the World-

- talk about similarities and differences between seaside holidays now and in the past.
- find seaside towns on the map.
- explore the natural world around them by identifying, making observations and drawing pictures of plants.
- Know some similarities and differences between the natural world around them and contrasting environments.

Oh we do like to be beside the seaside!

This term your child will learn
to...
