

Class Teacher

Haslingfield Endowed Primary School Information Pack

Do you enjoy working with children? Do you thrive on working in a happy team with supportive families and motivated children? Are you looking for a post in a school that can offer an exciting curriculum and a recent successful [Ofsted inspection](#) (March 2023)?

If so then this vacancy as a class teacher is the position for you.

About our School

We are a small rural village primary school just 15 minutes south of Cambridge and 10 minutes from the M11, junction 12.

Our cohorts are organised into 5 mixed-age classes and our class sizes range between 25 and 30 children. To meet the needs of all children, and to support teacher workload in small schools, the staff team have this year developed a new curriculum that was launched in September 2023. Our design involves two “curriculum phases” - Infant and Junior - which enables teachers to plan, assess and create enrichment activities as a key stage.

We warmly encourage all interested applicants to visit our curriculum page on our school website [here](#), and our subject specific documents [here](#), to see how our design operates and supports children’s learning.

This post
